

Introducing Sponsorship Opportunities for Kids in Boston participating in the

Tenacity Middle School Tennis League

220 Tenacity students from five Boston middle schools competing every Friday in league-style play to improve their **Tennis, Literacy and Life Skills!**

Do you enjoy competitive league tennis? The challenge of returning a talented opponent's serve? Taking the lead in a set with your new drop shot? The thrill of winning a tough match?

You can foster these same experiences in our kids by making a donation to our league today.

Benefits *to you* of becoming a **Tenacity Tennis League Sponsor:**

- Read our *Tennis League Blog* at www.tenacity.org or  Like us on Facebook for weekly updates, match results, photos, and to follow your team and players.
- Watch Tenacity student athletes compete every Friday afternoon in Boston.
- Attend the **Tenacity Gala on May 18, 2012** at a **reduced rate** – the amount you donate to our Tennis League will be credited toward your purchase of a gala ticket – and cheer on your team as they compete for the championship live at the event!
