

Jameel Radcliffe, 7th Grade, Interview with Gabe, 5/23/2007, 4:32pm

Q1) How has your Tenacity experience been so far?

A1) Good. In Tenacity, I get to do a lot of fun things with my friends. If I weren't in Tenacity I would have nothing to do after school. I have nothing to do at home and it's fun here!

Q2) What was your best Tenacity memory?

A2) My best memory from Tenacity was when we camping down on Cape Cod. We got to make a campfire, roast marshmallows- things that I've never done before. We made an obstacle course in a playground. We all felt comfortable enough to relax and be ourselves, and even Gabe farted!

We all slept in tents. It was my first time sleeping in a tent. It was kind of creepy because I felt like people were walking around, but when I woke up no one was walking around. I saw a lot of dead trees when I was looking for firewood.

Q3) Who has inspired you in Tenacity?

A3) Gabe and Sara. I've had a lot of fun with Gabe and learned a lot with Sara. They inspired me to play tennis like them.

Q4) Do you think about Tenacity in school?

A4) I think about Tenacity in school because I can't wait to go. There's nothing to do in class and I have fun here. I'm thinking about playing tennis.

Q5) Would you want to volunteer at Tenacity?

A5) Yes, they seem like they have a lot of fun. And they don't have to stretch. It would be a good way to meet new people.
