

*Sarata Kaba, 7<sup>th</sup> grade, interview with Sara*

*Q 1) which year was better for you 6<sup>th</sup> grade or 7<sup>th</sup> in Tenacity?*

*A) 7<sup>th</sup> grade was better because I got more mature and it is more fun. Some signs that I matured this year are I am listening to people. I am a leader in a group at Tenacity too. Out of the two Tenacity activities, I have more fun in the morning time. We play games like Jeopardy, Deal or No deal. We do not get bossed around. We get told once and we do it. We get more done in the morning.*

*Q 2) Do you like being the only 7<sup>th</sup> grader from the Lilla G Frederick Pilot Middle School?*

*A) I do like being the only 7<sup>th</sup> grader. There were a lot of 6<sup>th</sup> graders last year but I am the only one that stayed. I like it. It will be cool to be the only 8<sup>th</sup> grader next year.*

*Q 3) If you can change one thing what would you change?*

*A) If I could change one thing it would be Tyler and Jimmy leaving. Tyler was the tennis coordinator. Jimmy was a tennis helper. They were nice and fun. Jimmy was very playful and funny. Last year for tennis it was just us. There were not a lot of children and we were responsible for ourselves.*

*Q 4) what or who would you miss?*

*A) If I never saw them again, I would miss Sara, Gabe, Jelani, Tyler, Jimmy, Ali, Erin, Becca and Ms. Dalliare. I would miss **many, many** things like how they are nice and helpful.*

*Q 5) Is Tenacity for you?*

*A) Tenacity is for me because I like it a lot. It is cool because I get to show my personality and my leadership. I am going to Camp Coca Cola this summer where I will have fun, and learn how stick with my leadership skills.*
